

Lamb & Hayward

Ōtukaikino Reserve

The Living Memorial

For every funeral arranged by Lamb & Hayward a native plant is established in our unique Living Memorial reserve at Ōtukaikino, a place of commemoration for family and friends to visit. Ōtukaikino Reserve is a 13-hectare freshwater wetland reserve which Lamb & Hayward, in partnership with the Department of Conservation are gradually restoring.

An outdoor memorial service is held every year on the last Sunday in February. The trees that are planted are not dedicated to any one person, but instead contribute to form a natural forest community - 'The Lamb & Hayward Living Memorial.' An invitation will be sent out for two years after the funeral, with an open invitation thereafter, to join us every year.
