

A photograph of a beach with waves crashing onto the shore. The sand is golden-brown and has several footprints. The water is a vibrant blue, and the foam of the waves is white. The text is overlaid on the upper right portion of the image.

# The Living Memorial - Ōtukaikino Reserve

For every funeral arranged by Lamb & Hayward a native plant is established in our unique Living Memorial reserve at Ōtukaikino.

An outdoor memorial service is held every year on the last Sunday in February. The trees that are planted are not dedicated to any one person, but instead contribute to form a natural forest community. An invitation will be sent out for two years after the funeral, with an open invitation thereafter, to join us every year.
