Willow Urn

Willow is a fast growing, Eco-Friendly and sustainable material, which benefits from regular cropping. Handmade using traditional skills in villages and farms.

\$146

Tribute Heart Memorial Keepsake

Beautifully crafted from natural oak, Tribute Heart keepsakes fit perfectly into the palm of your hand and are designed to discreetly hold a tiny quantity of ashes, along with photos and other small mementos of your loved one.

\$168

Keepsake Roses

Holds a small amount of ashes inside the 'bulb' of the rose.

White, Pink, Pewter, Crimson Red and Bronze available on request.

\$210

Stylish & Simple Scatter Urns

Designed and engineered to simplify the scattering process. Scatter tube urns are durable and easy to use with a convenient removable lid and perforated 'push in' tab that opens prior to scattering. Tubes can be recycled or composted after use. Mini size scatter tubes are also available when dividing ashes between family members.

The delicate Art of Cloisonné

Cloisonné is a centuries old enamelling technique, which consists of soldering delicate silver wire onto a metal surface. Once a design is created, the resulting cellular spaces, called cloisons (*French: "partitions" or "compartments"*) are filled with enamel paste. Multiple options to suit your needs, available in two designs Etienne Autumn Leaves and Etienne Butterfly.
