Lamb & Hayward

Pre-planning

Documenting your decisions early ensures that your wishes are respected. This makes it easier for your family at a difficult time, and you can create a farewell that's meaningful, personal, and about you, your family, and friends.

At Lamb & Hayward, we'll help you plan a service that is unique, along with a payment plan, if that's what you want. Consultation is free, and we can meet at our place or yours, whatever suits you best.

How much detail we include is up to you. It can be just a few key points, or we can be more specific. Then, we'll create your personal profile which will be kept on file.

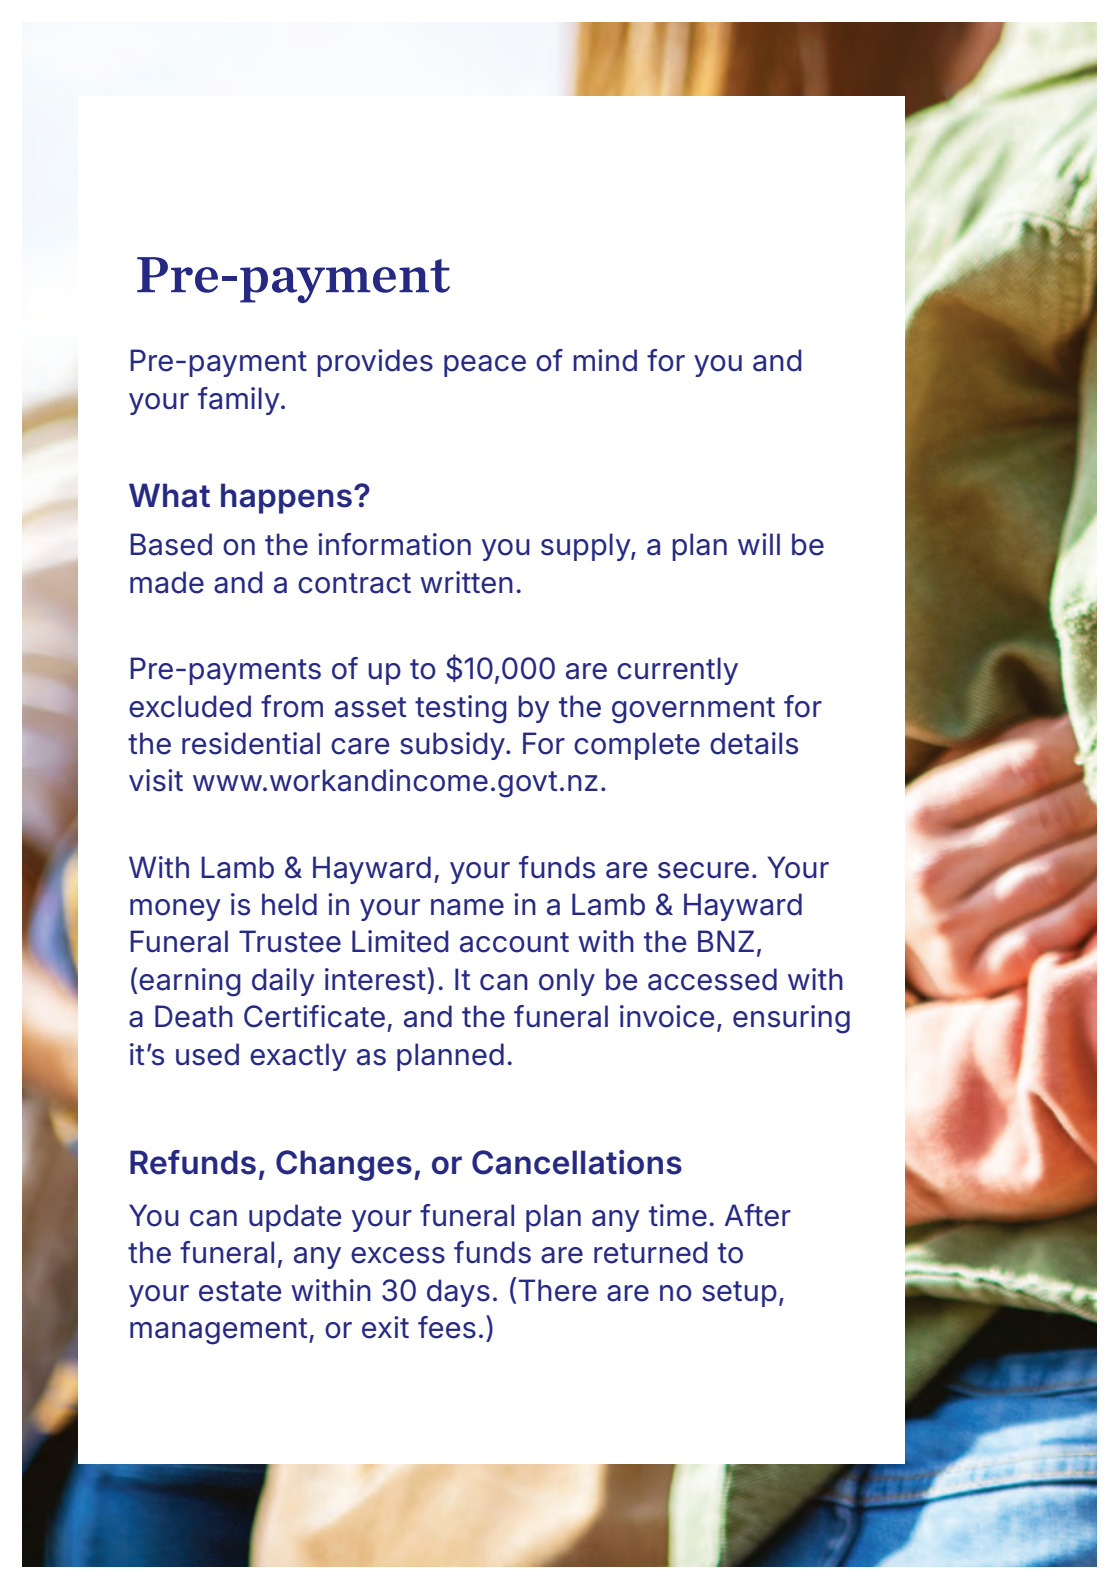

How does it work?

Have a chat with our experienced pre-planning coordinator, or a funeral director. Together, we'll talk through:

- **Your Preferences**
Burial or cremation, along with discussions about mortuary care, casket or urn options and your final resting place.
- **Service Details**
We'll talk through things such as location, service style, graphics, livestreaming, readings, poems, music, flowers, and catering.
- **Price**
Lamb & Hayward is an accredited Consumer New Zealand Trusted Business, and we provide complete transparency on all pricing.
- **Documentation**
We will keep your wishes safely on file. You can update these any time.
- **Keeping Family Updated**
We recommend you let your family and caregivers know that you have a plan in place with Lamb & Hayward. When the time comes having your wishes recorded with us means you know the information is documented, and that we understand and can communicate your wishes.

A vertical photograph on the right side of the page shows a person wearing a green shirt, holding a baby wrapped in a blue blanket. The baby's face is partially visible, and the person's hands are gently holding the baby.

Pre-payment

Pre-payment provides peace of mind for you and your family.

What happens?

Based on the information you supply, a plan will be made and a contract written.

Pre-payments of up to \$10,000 are currently excluded from asset testing by the government for the residential care subsidy. For complete details visit www.workandincome.govt.nz.

With Lamb & Hayward, your funds are secure. Your money is held in your name in a Lamb & Hayward Funeral Trustee Limited account with the BNZ, (earning daily interest). It can only be accessed with a Death Certificate, and the funeral invoice, ensuring it's used exactly as planned.

Refunds, Changes, or Cancellations

You can update your funeral plan any time. After the funeral, any excess funds are returned to your estate within 30 days. (There are no setup, management, or exit fees.)

We are all different

Everyone's preferences and needs are unique. Whether you're looking for a celebration of life or something more simple, we're here to help.

Some ideas:

Small Circle (Up to 20 invited guests)

A relaxed style that is ideal for those who value their own space. Guests spend time sharing stories around the casket and enjoying morning or afternoon tea in a separate area.

Your Way at Our Place (Up to 50 invited guests)

A bespoke get-together, limited only by your imagination. It might be a high tea, coffee and cake, champagne and canapés, or gourmet sliders and beers held at one of our venues.

The Classic Ceremony

Taking place in one of our venues, your place of worship, or in the family garden, the Classic Ceremony is a time honoured ritual that pays tribute in a formal way to your life.

A Quiet Goodbye

Offering the opportunity to spend time saying goodbye, before a private cremation.

A Wake

We can create your own "This Is Your Life" celebration, surrounded by the people who matter most, sharing memories together, while you're here to enjoy it.
